

BALOO/OWL Cub Scout Leader Training takes place Saturday, May 19, 2018, at Krupp Scout Hollow.

Basic Adult Leader Outdoor Orientation (BALOO) is a one-day training event that introduces parents and Cub Scout leaders to the skills needed to plan and conduct Pack outdoor activities.

Outdoor Leader Webelos Skills for Webelos Leaders (OWL) is designed specifically for Webelos Den Leaders and their assistants. OWL teaches outdoor-related skills and adventure preparation.

Both BALOO and OWL provide instruction, demonstration and hands-on practice. Come learn how to provide a successful outdoor experience for your Cub Scouts and Webelos! Both trainings fill requirements for the Den Leader Training Award, Scouter's Training Award for Cub Scouting, and the Cubmaster's Key award. Registration fee is \$10.00.
