Klondike 2018 Games

All scouts will compete as a patrol (not troops).
Organize Patrols before camp (Pick leaders who will be there!)
Know your patrol name and yell, bring your patrol flag (and your troop flag).

Awards for best organized camp.
Awards for most innovative shelter (non- tents)
All games are being judged on patrol spirit and participation. Volume counts!
Flames, stoves or catalytic heaters are not allowed in tents and/or sleeping quarters (BSA rules).

No Flames In Tents !!!!

Give patrol name and yell before every game.
Take your sled and supplies to all the events.
Have a plan and work together. All should participate.

At this event Scouts will be visiting activity stations name after cities on the Iditarod Alaskan Trail.

The property owners (McNabbs) have asked that we not bring pallets or wood containing nails up to burn. Also, please make sure all tent stakes are taken home with you. Nails and stakes can damage their expensive equipment tires when they plant and harvest crops on the property.

Please thank them for letting us use this wonderful site.
