Island Park Scout Camp Leader's Planning Guide 2025

WELCOME TO CAMP.....

Dear Scouting Volunteer,

We are excited to welcome you to Scout Camp this summer. Scout Camp is an opportunity for our youth, especially in this time when so many have not had outdoor experiences. Some of the fondest memories of my youth are the weeks I spent at Scout Camp. What a great way to help Scouts build character, develop values, and receive critical lessons.

We want to help you have a successful summer and have worked to provide you with the resources you need to plan effectively. This guidebook has been extensively redone to give you accurate and helpful information about our camp. Use it to help your Senior Patrol Leader grow as he or she learns to lead this summer.

Scouting is fun, exciting, and full of adventure. Scout Camp is truly one of the most exciting and adventurous things we do in Scouting. We hope that each youth and leader who participates in Scouting and in summer camp will have many adventures and that those adventures will continue throughout their lives, helping them grow and become better. Beginning your camp preparations now will help prepare each Scout in your troop to have a tremendous adventure this summer.

Thank you for your contribution to the Scouting Program. We look forward to seeing you this summer.

Your Friend in Scouting,

Clarke Farrer
Scout Executive

Camp Fees

Island Park had an incredible season last year! Thanks to our outstanding program, amazing staff, phenomenal food, and proximity to Yellowstone Park, we've welcomed Scouts from all over the country. To continue offering a top-tier camp experience, we will be increasing our fees for the upcoming season. But we're excited to announce a great way to help offset this cost—the **New Scout Discount Program!** (Grand Teton Council Registered Scouts only)

Here's how it works:

Bring a Friend, Earn a Discount!

For every youth who recruits a new Scout (joining from January 2024 onward) *and* brings them to camp, both the recruiter and the new Scout will each receive a **\$25 discount** on their camp registration.

Early Bird Bonus!

Recruiters and their new Scouts are still eligible for the Early Bird Discount if they register and pay in full on time.

No Limit!

After the first new Scout, the recruiter will receive an **additional \$10 discount** for each additional Scout they bring into the program. There's no cap on how many Scouts you can recruit!

Help us grow Scouting, save on camp fees, and make this summer at Island Park even bigger and better!

Island Park has a Central Dining Area and registration fees include meals!

Camp Fees, Arrival & Departure

Arrival (Check-in)

Check-in and registration on Monday and will begin at 8:00 a.m. and ends at 11:00 a.m. An early arrival will give more time for setting up camp. A late arrival may cost the youth program time that first day.

Registration and check-in will take place at the lodge.

Upon arrival, the youth will need to grab their swim suits and towel from their gear. At their assigned time, the troop will perform their swim checks at the waterfront. After swim checks, the troop will go to their campsite to unload and set up camp. Lunch will be served at 11:30 a.m.

Troops that plan to leave early should notify the Camp Director so that all paperwork, including merit badge worksheets, will be ready in time.

For information about these designated areas, please contact the Camp Director.

Allergies

Scouts and leaders with any allergies must notify camp leadership by completing the Special Needs Form found in the Appendix.

living trees. All use of cutting tools must follow the principles of Outdoor Ethics and the Outdoor Code.

Bicycles & ATVs

At Island Park Scout Camp, we love adventure—but safety comes first! **ATVs and motorcycles are not permitted** without special permission from the Camp Director. Bicycles are welcome, but must stay on **service roads**—not on trails. **Helmets must be worn** whenever riding. Let's ride safely and have fun!

Buddy System

Camp is always better with a buddy! All Scouts are expected to use the **buddy system** at all times to help ensure everyone's safety and support.

We're all part of the camp family! Smaller units may be asked to **share campsites** with other troops. It's a great opportunity to meet new friends and build new memories.

Camp Dress Code

Show your Scout spirit! The **official BSA uniform** is the perfect choice for camp and should be worn proudly at flag ceremonies. **Camp and troop t-shirts** are also great options for daily wear and are available for purchase at the Trading Post. We recommend wearing camp/troop t-shirts during service projects with your **official Scout pants or shorts** when available.

Swimwear should be comfortable, functional, and appropriate for the specific aquatic activity.

- Designed as swimwear
- Appropriate to the activity
- Secure as to not shift or fall off while participating
- T-shirt or additional layer may be allowed if it does not hamper movement in the water

Campsite Inspections

Keep your camp clean, safe, and awesome! **Daily campsite inspections** will be done by your Senior Patrol Leader and a camp commissioner. Inspection results will be posted each day at your campsite's bulletin board—let's aim for top marks! Get ready for an amazing summer! Join us for the **Camp Leaders Meeting on May 2, 2025, at 7:00 p.m.** at the **Idaho Falls Service Center**. Leaders will also have the exciting chance to **sign up early for the 2026 camp season!**

Courtesy

Your campsite is your troop's **home** for the week! Troop behavior is the responsibility of the unit's adult leaders, with Camp Friends and Commissioners there to assist. Please remind Scouts to **respect other troops' campsites**—no entering unless invited, keep noise levels down, follow **quiet hours**, and leave personal property alone.

Duty to God

The Scouting America welcomes all faiths and encourages Scouts to live their religious beliefs while respecting others'. Scouts are free to pray as they have been taught. Island Park offers a "**Scout is Reverent**" patch, which can be earned and purchased at the Trading Post.

As a guideline, knives with blades up to 4 inches are fine, and locking folding knives or multitools are highly recommended. If you're unsure about a particular knife, just check with the Camp Director.

Bear Safety Regulations/Procedures

Welcome to bear country!

The beautiful wilderness surrounding our camp is home to both Black Bears and Grizzly Bears. By staying alert and carefully following a few simple procedures, you can help protect not just yourself, but everyone who camps here — now and for years to come. Bears have remarkable memories: if they find food even once, they'll likely return around the same time the next year. But if they find nothing, they'll have no reason to come back, keeping our camp — and future adventures — safer for everyone. Your actions make a real difference. Thank you for doing your part!

Bear Safety Discussion

Your troop friend and your commissioner will visit your campsite for a friendly discussion on bear safety. Together, you'll review how to recognize signs of bear activity, how to avoid encounters, and how to protect yourself and the bears. This is a great chance to ask questions and ensure a safe and memorable camping experience.

Camp Commissioners

Your camp commissioner will inspect your campsite daily to support you in following these important procedures. Your camp friend will also visit several times each day to help answer questions and provide tips.

You will use the **Bear Guard Plan** — a self-evaluation tool — to help you prepare for inspections and maintain a safe, bear-smart campsite.

Eating Areas

After every meal, clean all tables, gear, and eating areas to remove:

- Micro-trash
- Drink spills
- Food crumbs
- Ketchup and mustard drips, etc.

Even tiny bits of food or smells can attract bears, even if they don't lead to an immediate food reward.

A clean camp is a safe camp!

Dish Washing and Gray Water Disposal

- ◆ Strain all dishwater to catch food particles.
- ◆ Place strained food scraps in garbage bags and dispose of them in bear-resistant dumpsters.
- ◆ Store straining cloths inside bear boxes when not in use. Never dump food or particles on the ground — even small bits can attract bears.

Attractants

Anything with a scent can attract bears!

Keep all attractants secured, including:

- Food (snacks, candy, soda pop, etc.)
- Toiletries (toothpaste, deodorant, bug repellent, lotions, petroleum-based products)
- Fuel (gas, oil)
- Household cleaners
- Anything else with a strong smell

If it smells, secure it!

Tents and Sleeping Areas

No attractants are allowed inside tents or sleeping areas. Leaders should check tents, sleeping bags, and gear each evening to ensure no food, snacks, or scented products remain. A scent-free sleeping area is a safe sleeping area!

Garbage and Bear-Resistant Dumpsters

Bear-resistant, IGBC-approved dumpsters are located throughout camp.

Always latch dumpsters securely after each use.

Loose trash bags, open cans, or other uncontained waste are prohibited.

All garbage — including food scraps and leftovers — must be taken to dumpsters immediately and **before bedtime**.

Do not store food or drinks in creeks or streams. Never dispose of food or drink in the bushes, fire pits, or on the ground.

Bear Sightings

If you see a bear:

Notify the Camp Director immediately.

Do not approach, engage, or follow the bear.

If a bear finds human food or causes a problem ("bear reward"), remove the attractant only if it's safe, and follow the camp's notification protocol.

The Forest Service and Fish & Game will assist the camp in managing any bear-related issues.

Safety

Never entice, invite, or attempt to interact with a bear.

Never provoke a bear by throwing objects, using camera flashes, or approaching too closely.

A mother bear with cubs is highly protective — give all bears at least **300 feet** of space.

Respect for wildlife keeps everyone safe.

Compliance

For the safety of everyone, compliance with these regulations is mandatory. The **Grand Teton Council** reserves the right to dismiss any individual or group that fails to follow these bear safety rules. Thank you for helping to protect this wild place — and everyone who enjoys it!

Personal & Camp Gear

The following list is not all-inclusive, but it draws from various Scouts BSA Handbooks and serves as a strong foundation for your packing. Your overnight gear, outdoor essentials, and appropriate clothing are the heart of your camping equipment. Aim to pack light — bring only what you truly need to stay safe, comfortable, and ready to make a great camp. Leave unnecessary items at home. Remember, you'll be at camp for a full week. Camp Planning

Keys to a Successful Summer Camp Experience

Planning ahead is the foundation of a great summer camp. There are three key steps that will help ensure your troop's camp experience is successful.

1. Include all members of the troop early in the planning process. Gather input from Scouts about which merit badges and activities they would like to complete during camp. Using the merit badge table found on page 19 can help guide your decisions and ensure that Scouts are working toward their goals and advancements.
2. Hold a camp promotion meeting for Scouts and their parents. During this meeting, review the gear and equipment list that each Scout will need, including any specialized gear required for extra activities. Provide an overview of advancement opportunities available at camp, and discuss any prerequisite work needed before camp begins. It is important to also share practical information, such as the total cost of camp, scheduled dates of attendance, emergency contact procedures, and anything else parents might need to know to help their child prepare for a successful summer camp experience.
3. Make sure to include all new Scouts who join your troop before camp starts. Inviting and preparing these new members early ensures they feel welcomed, included, and ready for their first adventure at summer camp.

Backdating Your Camp Planning

Good camp planning requires early action and careful timing. Following this schedule will help keep preparations on track.

In April, secure camp leadership by identifying which Patrol Leaders, Senior Patrol Leader, and adult leaders will be attending. Remember, BSA policy requires that you have at least two registered adult leaders at camp, one of whom must be at least 21 years old.

Leaders must also plan to attend the Pre-Camp Leaders' Meeting on **May 1, 2025, at 7:00 p.m.** at the Grand Teton Council Service Centers in Idaho Falls or via Zoom. This meeting provides important last-minute updates and allows leaders to reserve a campsite for the following year's camp season.

In May, begin collecting registration fees and, if desired, money for camp T-shirts. The early bird pay-in-full deadline is **May 16, 2025**, while the regular pay-in-full deadline is **June 13, 2025**. Details for payments are located on page 4.

Distribute Health and Medical Record forms to all Scouts, and remind families that a completed physical is required. Leaders should make two copies of each health form, one to submit to the Council Service Center and one to keep with the troop's camp records. It is highly recommended to send the Council copies at least two weeks before your troop's week at camp.

Three weeks before camp, submit any remaining registration fees and updated health forms. Double-check the BSA registration status of all Scouts and adult leaders. This can be done through the unit roster available on my.scouting.org or by contacting the Council registrar at (208) 522-5155. Out-of-Council troops should contact their local council office for membership verification.

If any Scout withdraws from camp due to a medical reason, a Refund Request Form must be completed and submitted to the camp director at check-in. This form can be found in the Appendix.

Summary

Successful summer camp experiences are built on early preparation, clear communication, and strong troop involvement. By starting the planning process early, including every member of the troop, and paying close attention to important deadlines, your Scouts will be ready for a memorable and rewarding camp adventure.

Camp Staff & Gatherings

Campsites and Camp Staff

The **heart of camp** for every Scout is their troop's campsite — their home base for the week's adventures!

At Island Park Scout Camp, our staff is committed to **supporting troop leadership** and helping each troop create an amazing camping experience.

Our camp staff team includes **enthusiastic members** ranging from 14 years old to seasoned adults, all eager to serve, guide, and enhance your time at camp.

Commissioner Service

Our commissioners are ready to help your troop thrive! Commissioners assist with flag ceremonies, organize special events, and help solve any issues that may come up. They also work alongside each troop's Senior Patrol Leader to lead daily campsite inspections, making sure everything stays safe, clean, and in line with Outdoor Ethics.

Flag Ceremonies

We encourage each troop to proudly display their United States flag and troop or patrol flag in their campsite. Troops are also invited to participate in camp-wide and commissioner-led flag ceremonies.

Please remember: The official Scout uniform should be worn during all flag ceremonies.

Senior Patrol Leader's Council

Each day, Senior Patrol Leaders will meet with the camp commissioners at 1:30 p.m. in the Lodge.

These meetings are a chance to plan activities, share ideas, and help shape the camp experience for everyone. If your SPL can't attend, please send an assistant or another Scout to take their place.

Troop Friends

Every troop will be assigned a **Troop Friend** — a camp staff member dedicated to helping your troop connect with camp resources and make the most of your camp experience!

Troop Friends will check in with your troop daily to answer questions and offer support.

Scoutmaster Meetings

Senior camp staff will hold regular Scoutmaster meetings throughout the week to:

- Review upcoming schedules,
- Provide helpful training and updates, and
- Address any concerns or issues.

These meetings help keep communication strong and ensure your troop has the best possible experience at Island Park Scout Camp!

About Camp, Programs & Activities

About Island Park

Island Park is named for the natural clearings that look like “islands” in the dense forest. Island Park Scout Camp (IPSC) covers 160 acres near Yellowstone National Park and is part of the Grand Teton Council. Opened to Scouting in 1974, it hosts hundreds of Scouts and leaders each July. Please help preserve its fragile volcanic soil during your stay.

Aquatics / Sailing / Mile Swim

Enjoy the lake! Swimming, sailing, and boating are all part of the waterfront fun. Scouts interested in earning the Mile Swim Award must sign up online before camp.

Branding

Bring leather, hats, boots, mugs, and more to get the official Island Park Scout Camp brand stamped onto your gear!

BSA Lifeguard

Youth (15+) and adult volunteers can work toward earning the BSA Lifeguard certification by completing training and demonstrating required skills while at camp.

Campfires

- **Monday Night:** Welcome campfire with staff-led skits and songs.
- **Wednesday Night:** Troop-led campfires in each commissioner area.
- **Friday Night:** Camp-wide campfire with the week's best skits and songs.

Families are encouraged to attend. **Important:** All performances must follow the Scout Oath and Law. No inappropriate content (no death, bullying, inappropriate humor, cross-dressing, bodily functions, etc.).

See your commissioner if you have questions.

Colter's Run

Test your endurance with John Colter's Escape! Compete as a relay team or take on the course Ironman-style as an individual.

C.O.P.E. (Challenging Outdoor Personal Experience)

Build teamwork and leadership on our Low COPE course and challenge yourself on our High COPE ropes course. These courses are unique to Island Park and among the best in the Council.

Handicraft

Located at the west end of the Simpson Building, the Handicraft area offers merit badges and projects. Purchase \$4 material tickets at the Trading Post for each project.

Honor Trail

An evening event that allows Scouts to reflect on how Scouting's values apply to their lives. Troops are encouraged to participate and plan for a quiet evening afterward.

Honor Troop

Troops that consistently demonstrate Scout Spirit, participate in camp activities, and maintain clean campsites can earn the Honor Troop distinction. Commissioners will provide guidance throughout the week.

Mountain Man Award

Earn beads throughout the week by completing different challenges and skills. Collect 10 different beads to receive the Mountain Man emblem.

Mountain Man Rendezvous

Celebrate Friday afternoon with camp-wide games, skills competitions, and lots of fun. A great way to end the week and meet new friends!

Nature Area

Centered around the Simpson Nature Lodge, the Nature Area offers hikes, terrarium projects, plant/soil identification, and conservation activities. There's always something happening!

Order of the Arrow Call-Out Ceremony

Scouts elected into the OA will be recognized during a special Native American-themed call-out ceremony at camp. Elections should happen at your campsite before Thursday noon. OA members should bring their sash and connect with their Commissioner on arrival.

Note: Out-of-council call-outs require a signed letter from the Scout's home Lodge Chief and Advisor plus a copy of the unit election form.

Paddle Boarding

Scouts and adults can enjoy paddle boarding on the lake — a fun way to build balance, confidence, and water skills.

Service Projects

Every troop is encouraged to complete a service project while at camp. The Camp Ranger will help coordinate projects that leave a lasting impact.

Warm River Rendezvous

Bring your canoe and your sense of humor! Swamp canoes, battle friends, and watch out for the staff "sharks" at this splashy camp favorite.

A Word About the Weather

Island Park weather can change fast: expect sunny days, sudden thunderstorms, rain, or even snow. Pack layers, rain gear, sunscreen, insect repellent, and always be ready for surprises!

Merit Badges

Merit Badge Program

One of the most exciting parts of summer camp is the opportunity for Scouts to advance in their Scouting journey! At Island Park Scout Camp, Scouts will have the chance to earn several merit badges during their stay—as long as they come prepared and ready to work hard.

Every merit badge is designed to teach Scouts new skills while encouraging them to challenge themselves and have fun. Merit badges vary in difficulty and cover a wide range of subjects. **Scouts are free to pursue any badges that interest them!**

While the badge itself is a simple embroidered patch, the real reward is the confidence, knowledge, and sense of accomplishment that comes with earning it.

Preparation is key!

Before arriving at camp, Scouts should choose which merit badges they would like to work on.

With their Scoutmaster's help, troops must submit the **Merit Badge Top 10 sheets** to Heather Branson at heather.branson@scouting.org.

Note: Merit badge classes are first-come, first-served based on class size and availability!

If a Scout has partially completed a badge, they should **bring proof of their work** to camp. Merit badge counselors will do their best to help Scouts complete them. Some badge requirements cannot be completed during camp and are listed in this guidebook as prerequisites. Scouts should finish these prerequisites before camp whenever possible.

If a merit badge is only partially completed at camp, the Scout's progress will be recorded on the Merit Badge Progress Sign-in Sheet and given to the Scoutmaster at the end of the week.

While merit badge achievement is important, **camp is about so much more!**

Patrol leaders and Scoutmasters are encouraged to make camp a well-rounded experience by participating in all the fun, adventures, and activities available — outlined on **pages 15–17** of this guidebook.

Lord Baden-Powell had these timeless words to say:

"We are not a club or a Sunday school class, but a school of the woods."

"A week of camp life is worth six months of theoretical teaching in the meeting room."

"Leave it better than you found it."

"The Scoutmaster teaches boys to play the game by doing so himself."

Discounts and Incentives

- \$10 discount per youth if units REGISTER for camp prior to April 1st and pay a \$200 campsite deposit. Deposits are nonrefundable. You will need to Pay In Full by May 15th.
- Free Leader: a) the unit will be bringing at least eight youth and b) one leader stays the entire week.
- All Fees Due By June 15th & Units must pay-in-full or the "pay at camp" cost will increase the regular rate by \$10 a scout and leader including new persons that register to come after that deadline. All fees are locked in at that time and no-shows will not be granted a refund. Additional registrants who come to camp after the two-week deadline also pay this "at camp" fee. Even if payments are not made at the time of camp, you will still owe the entire amount on the invoice at the June 15th deadline.

Note: Please do not plan rollovers in your payments. Pay for each year separately. Rollovers will only be assessed at the end of the summer season after all invoices are paid in full. They will, then, be moved in to your unit's store account.

Reservations & Fees

To reserve a campsite for a week requires a \$200 non-refundable fee. This fee may be used after your week of camp to offset regular camp fees or to reserve a campsite for the next year. Deposit fees may be transferred to the following year until March 1, at which time they are no longer transferable. If your unit does not keep their reservation, the deposit is considered non-refundable and non-transferable.

A campsite will not be reserved after November 1 without the \$200 reservation deposit.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

☐ Checking this box indicates you DO NOT want your child to use a BB device.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. Please be as specific as possible in explaining special needs for the individual listed on this form. Use additional sheets if necessary. Only one individual per Special Needs Form, please. Special Needs Form

Special dietary needs:

Special dietary needs, in this instance, refer to a staff member or participant who may need to adjust their diet due to food allergies and/or intolerances. This does not refer to picky eaters, but to those who may experience physical, medically-diagnosable symptoms such as illness or an allergic reaction when they inhale or ingest certain types of food.

Food services in each of our camps generally work from a specific menu. It is council policy that modifications and substitutions to the menu can be made within reason. However, for major departures from the menu, individuals will want to consider bringing supplemental food of their own, to ensure they can eat comfortably while away from home.

Wheelchair/Limited Mobility Access:

Each camp has at least one campsite which provides easier wheelchair access to tents, outhouses, and other campsite features. Please submit this Special Needs Form as soon as possible so that the camp you will be visiting can place the unit or group in an appropriate campsite. Note: our camps are located in the wonderful outdoors -- off-road wheelchairs will make trail navigation much easier.

CPAP Machines:

For participants with CPAP machines, please be aware our campsites have no electrical power, and sleeping facilities are not available in building areas at most camps. To prepare for this need at camp, we recommend one of two options:

1. If you do a lot of camping or traveling, you might want to consider purchasing a battery-powered CPAP machine, such as the Puritan Bennett 420G. Visit www.cpap.com for more information. If you need to charge the CPAP battery during daytime hours, please contact the camp director or program director and they can assist you with locating an outlet for charging purposes.
2. Those who use a machine that requires 120v AC power (household current) can bring an inverter and an automobile battery. This is a proven method that has worked for many campers in recent years. Camps can provide an outlet for recharging the automobile battery during daytime hours. Please note, vehicles cannot be parked in or near campsites in order to provide electricity for CPAP machines.

Injections:

Camp staff are not authorized to administer injections. Participants who require injections should administer their own injections or be accompanied by an adult trained and authorized to administer injections to that participant.
